The diagram illustrates the assembly of a vehicle console. The main component is the console body (1), which is shown in an exploded view with its internal components (2) and the face plate (3). The face plate (3) is shown in two views: a front view (4) and a rear view (5). The rear view (5) shows the mounting tabs and the internal wiring harness. The front view (4) shows the mounting tabs and the internal wiring harness. The diagram also shows the mounting hardware (6) and the mounting tabs (7) that are used to secure the console to the vehicle frame.
